Water, Tea & Non-Alcoholic Beverages

Q Water

Sparkling or Still 1.5 per liter

What: Premium filtered water that goes through a 4 stage filtration system and is poured fresh each time. The final polishing filter uses coconut shells.

Why: We are able to offer our guests high quality healthier water without any worries of environmentally unfriendly water bottles and the carbon imprint of transportation.

We donate the net proceeds to charities such as The Ronald McDonald House, the Global Enrichment Foundation and other worthwhile community events and groups.

Sodas

The Grizzly Paw Soda Company - Canmore, AB
